

## Life after Mars

I would like to see your article kept to one page 8 1/2 x 11.

1. Tell us what you did aboard ship.
2. What you have done after Mars, did you ship over or did you finish your obligation and join us in civilian life?
3. What school did you attend if any?
4. What career have you undertaken?
5. Did you meet that special person?
6. Do you have a family?
7. What impact did life on Mars have on you in making your life choices?
8. What is it that is so special about being a Martian?

When you are finished with your article email it to me:
